EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

At originally-numbered claim 15 (re-numbered claim 8), line 5, "claim 1" has been deleted and has been replaced with --claim 12--.

At originally-numbered claim 15 (re-numbered claim 8), page 6, line 2, "claim 1" has been deleted and has been replaced with --claim 12--.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Robert K. Carpenter on January 5, 2004.

The following is an examiner's statement of reasons for allowance: The claims are deemed to be novel and unobvious over the prior art of record or any combination thereof. The declaration by Cozzi filed November 17, 2003 is deemed to set forth a probative showing of unexpected results over the closest prior art of record and therefore rebuts any prima facie case of obviousness established by the references applied in the Office action mailed June 17, 2003.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
